

### Vital Records

The Vital Records Section of the Moore County Health Department ensures that all birth and death certificates for those persons who were born or died in Moore County are filed according to Chapter 130-A of the North Carolina General Statutes.

The Health Director serves as the local registrar for all births, deaths, and fetal deaths occurring in Moore County. The local registrar is also responsible for the issuance of burial transit permits and disinterment/re-interment permits. The deputy registrar processes the vital records received in the health department and forwards copies of all births and deaths which have occurred in Moore County to the Moore County Register of Deeds, where *certified* copies may be obtained.

Contact the Deputy Registrar at 910-947-4508 for more information.

For certified copies, contact the Moore County Register of Deeds at...  
910-947-6370.
